

Performa for Detailed Treatment for Leukemia

Children with Acute Lymphoblastic Leukemia - ALL or AML are eminently curable. A number of families however struggle with the cost of the treatment. The approximate expenses for the full treatment can be as much as Rs.....to Rs.for the complete duration of treatment which isyears/ months.

These Expenses are estimated to be incurred as follows:

S. No	Details	Amount in Rupees
1	Cost of Drugs	
2	Cost of Blood Products	
3	Cost of Investigations	
4	Cost of Supportive care	
5	Cost of Bed Charges+ other expenses	
6	Any other Costs / expenses
